

Sue's Topics

Leaving a Legacy

Every mother wants to make a difference and leave a legacy, but in reality, most days we'd be happy if we leave 'sane'. With humor and sincerity, Sue will share how you can make an impact in the lives of your children for generations to come.

Living a Life of Faith

Faith is "Believing that God is who He says He is and can do what He says He can do." So how does "Faith" look in our often messy, complicated lives? When life is a struggle and we cannot understand the circumstances we find ourselves drowning in? Join Sue, as she shares riveting illustrations and powerful scriptures that will propel you to a deeper Faith, Belief and Trust in the Lord.

What Your Husband Needs From You

Ever been totally confused by something your man has said or done? Want to understand his secret desires, fears, and daily battles? Sue will share her own personal stories along with eye-opening revelations to help women understand, support and love their husbands in the way that they need to be loved.

Becoming a "Yes" Woman: Living Confidently in Christ

With practical and powerful lessons gleaned from biblical stories and her own life, Sue's message will empower you to live confidently in Christ. She will inspire and equip you to become a "YES" woman as you learn to: See, Process, Overcome and finally BE the woman God created you to be.

When Teens Rebel

Is your teen in full blown rebellion or just in rebellion-lite? A mother's heart often breaks and she blames herself when she sees her children's destructive choices. With transparency and candor, Sue will share her own story of walking with a son through rebellion. You will leave challenged, encouraged, and equipped to face this turbulent time with your adolescent.

5 Minutes until Goodbye

What if you had only five minutes to say 'Goodbye' to someone in your life? Would five minutes be enough? Would the relationship be left with regrets and missed opportunities? Sue will share her own powerful personal story. You will leave this workshop equipped and challenged to pursue peaceful not perfect relationships with everyone in your sphere of influence.

When You Feel Like Screaming! Help for frustrated mothers!

Screaming is a habit, a habit that can be broken. This workshop will be loaded with humor and practical applications as we look at the factors that drive mommies to lose control. We will explore alternatives to screaming that will transform screaming mothers into strong, confident and controlled women.

The Friend I Want To Be!

Women understand women. And yet we all struggle at one time or another with friendships. Using God's word as the blue print for relationships, Sue with humor and candor, will challenge you to become the Friend God created you to be!

"Sue's humor and honesty create an instant connection with her audience! She shares personal stories moms can relate to, wisdom moms can benefit from, and practical steps moms can take toward becoming the kind of mom we all want to be!"
